

Swansboro and the Crystal Coast are special places for those of us who live here. We actually enjoy having visitors, so welcome to our paradise. This is the time of year to enjoy our beaches. Coming to Swansboro lets you relax by the water but also be close to many activities and shopping. My brochure raises as many questions as it answers so visit my online site for more information and pictures.

Anything on the map is a favorite local spot. The best seafood is usually what you cook at home, and we get ours from Clyde Phillip's Seafood between the Highway 24 bridges and often add local produce from Winberry's.

A few words are in order on my restaurant suggestions. We try to regularly visit restaurants in the area. If we visit a restaurant on the list and have a meal that we don't feel is up to the standards that we have set for own enjoyment, I will take the restaurant off the list.

Some restaurants I drop from the list because we just haven't eaten there in a long time. The food may be okay, but for us not to eat there in a year, it likely means the last meal we had there was less than memorable, or we didn't feel that the food was a good value. We like good food, but we are more likely to cook it at home than try a restaurant that disappointed us the last time we ate there.

My two top ranked restaurants are listed below

1. *Riverside Steak & Seafood, Swansboro*
2. *Nicky's of Swansboro*

Welcome to Swansboro & EI
It's mid August, water time is precious!

Little rain has fallen along the White Oak & Bogue Sound this summer, so if you bring some showers with you, we will not complain. Still we will hope for rain only at night so your visit here will have only blue skies and be the first of many on NC's Southern Outer Banks.
